HOW TO SELL GUIDE

Before You Start Selling

1. Always have an adult with you if you're going door-to-door.
2. Bring trash bag fundraiser order tracker to show customers and track with pen or use the Google Form. You do not need to say where you go to school if you don't want to, you could say Johnson County parish school fundraiser.
3. Be sure to collect payment immediately — customers pay you directly, you submit payment for all total orders once final.
4. Practice your sales pitch before going out.

Example Script: Hi, my name is [Name] and I'm raising money to upgrade technology at our school. We're selling strong, reliable trash bags for \$15 a roll. Would you like to support us?'

Great People & Places to Sell To

1. Selling Door-to-Door (With an Adult)

- Only visit houses in your own neighborhood or where you know the families.
- If someone says 'No, thank you' → smile, thank them, and move on.
- Never enter anyone's house — sales happen outside only.
- If someone makes you uncomfortable, walk away immediately.
- Collect payment there via your personal Venmo, cash or check. \$15/bag or package.

2. Selling to Family, Friends, Workplace & Businesses

- Ask family, neighbors, teachers, or church members first.
- Local businesses may buy in bulk.
- Always introduce yourself and explain the cause.
- Collect orders neatly with names, addresses, phone #, and rolls sold by bag type.
- Be sure to mark payment method for your own record keeping.

3. Selling Online

- Parents can sell online! Customers paying by credit card can order and pay directly through Zeffy. For cash/check sales, submit orders through the Google Form and drop payment at the HTS front office by Friday, October 23. Venmo is not available this year.
